Re: Alaska Waste - Dutch Harbor, LLC
Quarterly Fuel Surcharge Filing

Dear Commissioners:

This tariff filing is transmitted to you by Alaska Waste - Dutch Harbor, LLC (Alaska Waste) in compliance with the Alaska Public Utilities Regulatory Act and 3 AAC 48.200 – 3 AAC 48.430.

Alaska Waste, through its undersigned consultants, revises the following tariff sheet:

| Tariff Sheet Number | | Cancels Sheet Number | | Schedule or Rule Number |
|---------------------|---------------------|----------------------|---------------------|-------------------------|
| Original | Revised | Original | Revised | |
| | 43, 6 th | | 43, 5 th | Cost of Fuel Surcharge |

The Commission approved the implementation of a fuel surcharge on July 31, 2014 in Order No. U-13-164(13)/U-13-165(12)/U-13-166(12)/U-13-167(12). With this filing, Alaska Waste requests adjustment to its fuel surcharge which applies to all of its commercial and residential customers. Alaska Waste has approximately 87 commercial customer and no residential customers.

This filing results in a decrease to customer's bills from the current (0.3477%) fuel surcharge to the (1.2374%) fuel surcharge percentage which will be applied to all of the current customers. The reason for this change is the average fuel costs decreased from \$5,205 to \$5,123, the balancing account decreased from (\$1,430) to (\$2,547) the estimated annual revenue increased from \$538,984 to \$538,914. Alaska Waste expects that the quarterly revenue impact from the fuel surcharge will be a decrease of approximately (\$1,667). This filing will not result in the termination of an existing service, conflict with any other schedule or rate or will not in any other way adversely affect customers, or the public.

Alaska Waste also submits the following attachments supporting its fuel surcharge calculation: Diesel fuel invoices for April 2019 through June 2019 (Attachment A), and calculations of average cost per gallon and general ledger balances for revenue and diesel fuel expense accounts (Attachment B, submitted in Excel format). Alaska Waste is willing to provide additional documentation to support its calculations upon request.

This fuel surcharge filing does not include a new methodology or a new cost element therefore, per Letter Order# 1500017, a publication notice is not required and Alaska Waste expects this tariff will go into effect for bills rendered on or after August 31, 2019.
